Mr. Givins said he was glad to see the number up for Council and School Board. He hoped that they would all stay in the fight, as it gave the ratepayers more interest in the affairs of the town when they had an opportunity of expressing their views through the ballot box.

The election will take place from 10 a.m. to 7 p.m. on Monday, February 12th.

## "CORN TALK" IN STRATHMORE FRIDAY

Mr. Trevis' address is on the possibilities of cornraising in this district, and will be a very informative nature, as the lecturer has achieved great success in raising this valuable crop.

## Irricana News

Percy Hallam was a business visitor to Calgary during the week.

The sale is announced of Mr. R. H. McCulloch's farm stock and household effects to take place on the 15th.

A most enjoyable evening was spent by a number of Mr. and Mrs. J. W. McCulloch's friends at their comfortable home on Thursday evening.

Mr. McMillan, Trustee-elect of the Irricana School Board was duly appointed to interview school trustees at a joint meeting held at Kailash recently with a motive to hold a community school fair at Irricana—the logical center for such functions. Mr. McCulloch reports he was unsuccessful in his endeavoring to have the proposed fair held in Irricana this year, but holds out the hope that Irricana will be in time for school fairs at a future date. The Town Council has assured the fair management every feasible consideration by way of encouragement and to make it an annual event to be held in Irricana.

Leland Ross, shipped a car load of select steers to the Calgary market.

We regret to announce that Mr. Johnston is suffering from a severe chill.

Mr. Fred Davis is a business visitor to Calgary. Mr. Davis intends operating his big farm on as large a scale as ever.

To commemorate the 16th birthday anniversary of their beloved immortal ploughboy bard, Robert Burns, Scotch folks will around congregated at the L.O.O.F. hall and celebrate the centennial occasion in singing, song, music and dance. The evening's entertainment was opened by pianist Norman Macdonald playing in the morning music which was so much enjoyed by the huge gathering. Mr. Hugh Miller, who occupied the chair, called on Mayor McCulloch to ask the Mayor.

After supper the following programme was entered into: Address by a Haggle, by Mr. Jas. Taylor; Toast, The King, by Hugh Miller; Reply, Don't Give Up the Ship, by the company; Song, The Star O' Robbie Burns; Mr. Hugh Miller; Step Dance, Highland Fling, Don't Give Up the Ship, and House, House Hay; Toast, Land O' Cakes and Butter Scots, by Mayor McCulloch; Song, My Ain Wee Home; Bruce Hay; Toast, The Land of Makele, by the chairman, responded to by Mr. J. G. Rankin; Toast, The Immortal Memory, by John Harris; Song, Don't Give Up the Ship; Mr. Hugh Miller and Mr. Bruce Hay; Toast, The Jangle, by Mr. A. Archibald; Dance, Sword Dance, Don't Give Up the Ship; Mr. A. H. Hay acted as accompanist. A vote of thanks to the various artists was proposed by the chairman and ably responded to.

After the concert dancing was indulged in which had a decided Strathmore tint, most of the dance music being supplied by pianist Macdonald and which the record crowd enjoyed so thoroughly.

Mr. H. Miller is confined in his home with an attack of La Grippe.

## Festival Week Off to Good Start

### Splendid Evening in Memorial Hall Curling Bonspiel Under Way

The initiative of Strathmore Board of Trade in promoting a Winter Sport and Festival Week at this time of the year was more than justified by the very large attendance at the opening, under their auspices and that of the U.W.A.

It was Strathmore's first. Everything was free, and the invitation was heartily responded to by young and old both from town and country.

The first part of the evening was taken up by cards, the winners being: 1st lady, Mrs. T. Crawford; 1st gent, Mr. Frank Mertens. Bridge, 1st lady, Mrs. Margaret; 1st gent, Mr. T. E. Wright.

After cards a full size supper was served, and great credit is due to the many local ladies who assisted in cooking and serving it. The crowd was so large that part of them were served while cards were on and the remainder later in the evening.

The second part of the programme was a two-reel film, kindly put on by Mr. M. S. Hirtle, describing a trip through the movie city, Paramount town. Following that the Mayor Elect, Mr. H. W. B. Bell, took the chair, and introduced Dr. Givins who gave an address on the programme for the week, and the object of the Board of Trade in promoting it.

A short and interesting address was then given by Mr. E. S. Stockton on the betterment of the community, and the work which the Board of Trade was trying to do, which he summarized as: good roads, community spirit, the farmer's success, and betterment of Strathmore. There was much scope for work on all these heads. The town

and country could still stand a lot of development. With an average of one farm to every half-section there would be 600 farmers within 10 miles radius of Strathmore. At present there were only three hundred and ninety. Though there was depression throughout the country at the present it would not last, and both Strathmore town and district were in good shape to develop once the turn for the better came, which would not be long.

A fine vocal selection was then given by Mr. Lydiatt, and afterwards the floor was cleared for dancing, which was carried on with much enjoyment to the strains of Hirtle's orchestra, till an early hour.

The thanks of all are due to those who contributed their time and service to make the evening a success, including the Board of Trade, G.W.A., Hirtle's orchestra, etc.

### The Week's Programme

Last night was the hockey game with Glenelg, reported in another column. Tonight Mr. M. S. Hirtle presents a special Paramount picture, featuring Dorothy Dalton. On Thursday there is a hockey game, followed by a dance in the Memorial Hall, while on Saturday the big event of the week comes off in the visit of the C.P.R. choir of sixty voices. Tickets for the game are now on sale, and everyone should be in to enjoy this, the greatest musical treat ever heard in Strathmore.

The skating rink is open nightly, and not occupied by hockey games, and a curling bonspiel is in full swing all week.

## Bad Fire at Glenelg

Our neighboring town, Glenelg, suffered severely from fire on Sunday evening, when the garage, opera house, G.W.A. Hall, John Deere implement warehouse, and the Palace Hotel were destroyed. The loss is estimated at \$100,000.

The fire commenced in the Ford garage, and at one time it was thought impossible to fight the fire without outside help, and a call was sent to Calgary for assistance. However, the good work of the local firefighters resulted in the call being cancelled, though the Calgary brigade was ready to go.

**The Losses**  
The Ford Garage and opera house, owned by Mrs. Landells, of Calgary, valued at \$15,000; insurance carried, \$7,500. Hall & Gamble, who rented the building, lost property to the value of \$10,000. This firm carried \$5,000 insurance. The John Deere implement warehouse, owned by Harold Dunn, and valued at \$5,000 with its contents, carried \$2,500 insurance. The Palace hotel, owned and operated by Mr. and Mrs. D. Walton, was the biggest loss. The building and contents were valued at \$55,000. Only \$11,500 insurance was carried.

**Filled With Guests**  
The hotel was filled with guests at the time of the fire, but everyone was enabled to get out, saving most of their personal property.

## Nightingale News

On Tuesday evening last a kitchen shower was given to Mr. and Mrs. Ford Otto, who have recently been married. Most of the neighborhood turned out and contributed many useful presents. Mr. Del Anderson presided at the proceedings, and presented the gifts with appropriate remarks. Mrs. Thorburn presided at the piano. The festivities were kept up until an early hour.

A daughter was born to Mr. and Mrs. Lloyd Clark on Monday afternoon of last week. Both mother and child are doing well.

Mr. Wyllie, Baintree, should have been included in the list of judges at the Masquerade ball published in last issue.

A hockey game was played here on Thursday last between Nightingale and Calgary teams. Nightingale won by 2 to 1.

The hockey game was to have taken place on the 9th but has been postponed to the 14th, as the boys have to go to Calgary on Friday. The Calgary boys are going to give them a real good time.

A C.F.A. meeting was held last Saturday, the members of the U.W.A. being also in attendance. The result of the drive was announced when the president's side brought in 23 new members and the secretary's side 30.

Next month the secretary's side will have to hang on the president's side, probably on the 14th. Much discussion took place with regard to the action some people in the block are taking with regard to C.P.R. contracts, but the feeling of the meeting was that the committee were asking too much. The meeting was served by the ladies' luncheon was served by the ladies' present. Mr. G. Walker gave a report of the convention.

## C.P.R. CHOR

The Calgary C.P.R. Male Voice  
 Choir has been most fortunate in hav-  
 ing Mr. Horace Reynolds as con-  
 ductor since its inception. He hails from  
 St. Paul, where he was choir master of  
 Norton Goss church, also St. Paul's.  
 He was for a time conductor of St.  
 Paul's Choral Union and the Broadway  
 Choral society. The latter society was  
 the prize winner at the Buxton festi-  
 val under his direction. Mr. Reynolds  
 has conducted the Scottish choir at  
 Calgary for a number of seasons and  
 he has also been a conductor at dif-  
 ferent times of a number of church  
 choirs there.  
 He has prepared and directed the

Mr. Jack Crawford is at present on  
 a ten days visit to his parents at  
 Strathmore.

The initiative of local merchants in  
 promoting the community sale is be-  
 ing rewarded by good business. The  
 specials offered are real bargains, and  
 those who have not yet taken advan-  
 tage of them should not fail to do so  
 before the end of the week.

Mayor Butler's two-year term of  
 office comes to an end this month, and  
 it is but fitting to pay tribute to his  
 efforts on the town's behalf, which  
 resulted in Strathmore's finishing this  
 year with a good cash balance in the  
 bank and no outstanding notes, and de-  
 bents having been met and paid  
 when due. The fire walls and front  
 sidewalks debentures were paid last  
 year, and taxes will therefore be much  
 reduced, the extent of these debentures  
 being over \$15,000.

M.D. Bow Valley also has the dis-  
 tinction of finishing the year with no  
 indebtedness to the banks.

Mayor Elbert Bell, who was honored  
 by being elected by acclamation on  
 Monday, is a native of Aberdeen, Scot-  
 land, who came to this part of the  
 country about twelve years ago, and  
 commenced farming near Tabor. Six  
 years ago he moved into Strathmore  
 and opened up in a garage business,  
 and has made good ever since. He is  
 still running his farm nine miles north  
 of Strathmore, so he may be depended  
 upon to understand the position of  
 the farmers, on whose prosperity the  
 progress of the town is based. The  
 new mayor is at present W.M. of  
 Strathmore Masonic Lodge.

For Council and School Board there is  
 a good lineup to choose from. If  
 they all stay in the race, we hope  
 they will, and that every taxpayer  
 will exercise his franchise.

Two of the Brooks curlers on Sat-  
 urday, Walter Mandell and Billy Swa-  
 son, are oldtimers here, having ori-  
 ginally been employed by the C.P.R.  
 on the Western Section.

It is a tribute to the Strathmore  
 Hockey Club, that three members of  
 the Canadian, selected as the pick of  
 the southern part of the province, were  
 on the line-up of the Hawks team  
 defeated by Strathmore by 21 score  
 ten days ago. These are Lewis,  
 Loucks, and Irving.

The new Town Council, to follow  
 up the good work being done in mak-  
 ing our customers and visitors wel-  
 come, should come to some definite  
 arrangement regarding providing a  
 restroom and lavatory accommodation.  
 The grant to the King Edward Hotel  
 of \$25 per month for these services  
 was discontinued last month.

Over \$14,000 cash was realized at  
 the Strathmore Baza Co. auction last  
 Wednesday. Buyers were in atten-  
 dance from various parts of the prov-  
 ince.

Mr. B. J. Beach's general store at  
 Erskine was burned down on Friday  
 night. Mr. Beach was formerly a part-  
 ner of the firm of Beach & Fox,  
 Strathmore, and commenced business  
 in Erskine after the partnership was  
 dissolved.

Mr. and Mrs. O. C. Moorhouse left  
 on Monday for Los Angeles, Cal., on  
 a two month visit.

As a soloist, Mr. Horace Reynolds,  
 who will be singing with the C.P.R.  
 Male Voice Choir, next Saturday, is  
 outstanding. His versatility is remark-  
 able, making his reputation both bold  
 and unusual. He has had a large ex-  
 perience in Oratorio work, also opera.  
 He has been principal soloist in the  
 following: "Pavil," "Kine Olat," "St.  
 Paul," "Woman of Samaria," "Hava-  
 thal," "Olat to Calgary," and many  
 others. His singing "To Him Somer-  
 set" with the choir this week is a  
 number once heard, not easily forgot-  
 ten.

## CARSELAND NOTES

Mr. W. D. Trow will give his "Com-  
 Talk" at Carseland on Saturday after-  
 noon, February 10. It is hoped there  
 will be a large attendance to hear  
 this interesting speaker.

A special meeting of the ratepayers  
 of the Carseland Consolidated Schools  
 took place on February 1st to vote on  
 the question of building a new school  
 at a cost of about \$7,500. Fifty-two  
 votes were cast, resulting in 21 in  
 favor. It looks, therefore, as  
 if we will have a brand new school  
 building for next year.

Do not forget the play "The Country  
 Schoolman," which will be put on at  
 the church on Friday, February 5.  
 Surprise parties seem to be the or-

## Hockey

Gleichen and Strathmore played a  
 no-score game last night. They  
 spoiled largely by snow falling heav-  
 ily throughout most of the game.

Teams were:  
 Gleichen—James, goal; J. Riley, O.  
 Wilson, defence; H. Hunter, McFadden,  
 and W. McKay, forwards; Rob, James.  
 Strathmore—Green, goal; McPar-  
 land and Gannon, defence; Gray, Jen-  
 kins and Givens, forwards; Rob, Kir-  
 land, and H. Baker.

Referee—Rev. P. Duggan.  
 One collision met with a rather bad  
 accident before the game commenced,  
 receiving a nasty cut on the face,  
 which required medical attention.

The weather, still what would  
 have undoubtedly been a first-class  
 game, as both teams were very even-  
 ly matched, and led to a win.

Following the game the teams were  
 entertained by Mr. and Mrs. W. C.  
 Brown.

Brooks and Strathmore  
Curlers Meet

The return game between curlers  
 representing the Strathmore and  
 Brooks shop and garage departments  
 of the Canadian Pacific Department  
 Natural Resources was held at  
 Strathmore on Saturday evening.

The local team skipped by it.  
 Hamby won by 12 x 5 over the Brooks  
 team skipped by Walter Muddell.  
 White Jack Reeves's team suffered de-  
 feat at the hands of Brooks team  
 skipped by Billy Swanson by 10 x 7,  
 that the honors were equally divid-  
 ed. Bobby Hamby probably played  
 the best individual game of any man  
 on the ice, and well deserved his vic-  
 tory.

After the game the visitors were  
 hospitably entertained by their strath-  
 more opponents.

Following were the teams:  
 Brooks—McKerremore, H. Bassett,  
 H. Peever, W. Muddell (skip) 9.  
 Strathmore—W. Gray, Geo. Venus,  
 J. Swanson, R. Hamby (skip) 12.  
 Brooks—J. Nick, D. McPherson, J.  
 Ainslie, W. Swanson (skip) 12.  
 Strathmore—J. Gunn, A. Gray, Sid  
 Hyde, J. Reeves (skip) 7.

Mayor Johnston, of Tilley, was a  
 much interested spectator.

## Curling Club News

In connection with the Strathmore  
 Carnival week, the Curling Club are  
 holding a bonspiel. Three competi-  
 tions have been arranged for, known  
 as "Grand Challenge," "Curling Club"  
 and "Citizens" the former two events  
 are major competitions and the latter  
 one is a minor event.

Sixteen local rinks are taking part.  
 Those rinks losing in the major event  
 automatically go into the minor event.

There are valuable prizes for each  
 event and needless to say, great in-  
 terest is being taken in the various  
 games. The first and second rounds  
 have already taken place and the re-  
 mainder of the week will be occupied  
 with the finals and will be well worth  
 watching. Everyone is invited to go  
 to the rink, which is free to spec-  
 tators. A large waiting room is at your  
 disposal and is well heated.

While the Bonspiel is in progress  
 the "Long Draw Competition" has been  
 postponed till February 12th, when it  
 will again be resumed and played out  
 to a finish.

As all know this is Strathmore's first  
 year as a curling centre and has been  
 a decided success from the start. En-  
 thusiasm runs high, and some real  
 curlers have developed, the club has  
 already received visits from several  
 rinks and the locals have been able  
 to hold their own on each occasion,  
 and the visitors have all been favorably  
 impressed with the appointments  
 of Strathmore's Rink.

The times of the games in the Bon-  
 spiel this week are 2 p.m., 4 p.m., 7  
 p.m. and 9 p.m.

Her of the day. The next one, we  
 hear, will be at Gardner's on the 12th.

Mr. A. W. Crummy is going about  
 feeling like a lost soul. He had his  
 molars removed in Calgary recently.

Mr. C. E. Coles, who is to erect a  
 store in Carseland, has having great  
 difficulty in moving his building from  
 Langdon.

## The U.F.A. Convention

After several years of light crops  
and unreasonably low prices for farm  
products with the producer's necessi-  
ties still hanging beyond his reach, the  
future destiny of our organization is  
bound to cross the minds of the most  
optimistic supporters of the progress-  
ive movement, but the old adage "a  
silver lining to every cloud" is also  
applicable to farmer movements too.

The first ray of silver light came on  
the eve of the convention.  
"The Bye Election returns of Cal-  
gary," on our arrival in Calgary, the  
smoke of "Big Bertha" the big gun  
of the famous Citizen's League with  
the newspaper herald had rolled away  
enough for even the hayseed to see  
that the old party "Ford" was branded  
22, and with the help of the Con-  
vention there was hopes of "croup  
prevention" yet.

The first day of the convention saw  
three joint sessions, U.F.A. and U.F.W.,  
with annual reports of the  
whole organization, etc., an address of  
welcome from Mayor Webster with  
special tribute to the Greenfield con-  
vention, a blessing from Rev. Bin-  
cham of the Baptist church, and a short  
address from Premier Greenfield,  
which among other things included  
the legislation for a Wheat Board by  
the province. The formal proceedings  
ended by the president of the U.F.A.  
and U.F.W. annual address.

**Democracy Personified**  
The proposed revision of the consti-  
tution took up a lot of time, and the  
interest and scrutiny of the delegates  
in this matter alone was plain evi-  
dence that the U.F.A. was built from  
the bottom up, and that their mem-  
bers were thinking and possessed a com-  
prehensive idea of the word "Demo-  
cracy."

**The Wheat Board**  
The desire for a Wheat Board,  
at least temporarily, was unanimous,  
there being little doubt as to the desir-  
ability of the measure. The members were convinced  
that the disastrous outlook which  
confronted them was just as much of an  
emergency as the old Board was de-  
signed to meet.

**The U.G.G. and the U.F.A.**  
Mr. Alice Jones, manager of the  
United Cattle Raisers, presented an  
outline of the cooperative cattle sell-  
ing plan lately established by his com-  
pany, which received great attention  
from the delegates and was heartily  
endorsed by the convention. The  
same speaker afterwards read a resolu-  
tion from the U.G.G. annual meeting,  
agreeing to cooperate with the U.F.A.  
in marketing wheat, which was re-  
ceived with much applause. The  
same day a resolution was also passed  
by the convention asking our ex-  
ecutive to cooperate with the U.G.G.  
in marketing of general farm prod-  
ucts.

**The Famous Sessional Indemnity**  
The last night of the convention was  
well represented by residents of the  
city, who on doubt expected "trouble  
in the family" over the so called  
"grab" but after a little discussion on  
the matter a vote of confidence in our  
principal members was passed unani-  
mously.

**The Prohibition Act**  
This matter received a very fair dis-  
cussion and was almost unanimously  
endorsed by the convention to remain  
as it now stands.

**Decrease in U.F.A. Membership**  
This was discussed early in the  
convention and was attributed to natural  
causes "hard times." I might say in  
regard to this matter, that when we  
consider that every other industry that  
we came in contact with during our  
convention trip from local stores to  
banks, warehouses and workshops in  
Calgary, were down as low as seventy-  
five per cent. below normal business,  
and that the bull is the only buy  
man. I think it only fair to assume  
that the U.F.A. is standing the strain  
pretty well.

**BIBLE THOUGHT  
FOR TODAY**  
"Complete material will prove a  
profitable heritage in after years."

**A MORNING PRAYER**—Create  
in me a clean heart, O God; and  
renew a right spirit within me—  
Psalm 51:10.

**February 7**  
**REASONABLE:**—I beseech you  
therefore, brethren, by the mercies of  
God, that ye present your bodies a living  
sacrifice, holy, acceptable unto  
God, which is your reasonable serv-  
ice.—Romans 12:1.

**February 8**  
**THE TEMPLE OF GOD:**—Ye are the  
temple of the living God; as God hath  
said, I will dwell in them; and I will  
be their God, and they shall be my  
people.—2 Corinthians 6:16.

**February 9**  
**THIS GLASSING:**—Having there-  
fore these promises, dearly beloved,  
let us cleanse ourselves from all  
filthiness of the flesh and spirit, per-  
fecting holiness in the fear of God.—  
Colossians 3:1.

**February 10**  
**WAITING IN CONFIDENCE:**—I wait  
for the Lord, my soul doth wait, and  
in his word do I hope. My soul wait-  
eth for the Lord more than they that  
watch for the morning; I say, more  
than they that watch for the morn-  
ing.—Psalm 130:5,6.

**February 11**  
**PAY FOR THE GOSPEL:**—The  
Scripture saith, Thou shalt not muzzle  
the ox that treadeth out the corn, and  
the labourer is worthy of his reward.  
—Timothy 5:18.

**February 12**  
**ETERNAL PROTECTION:**—The  
Lord shall preserve thy going out and  
thy coming in from this time forth,  
and even for evermore.—Psalm 121:8.

**February 13**  
**ALL THINGS POSSIBLE:**—About  
all things I can do, if thou consent, be-  
lieve that all things are possible in him that  
believeth.—Mark 9:23.

**NO FURTHER TAX SCHEDULES**  
It has been announced by Premier  
Greenfield that there will be no ad-  
ditional tax schedules introduced by the  
government this year.

**The Banking System**  
There were a number of resolutions  
dealing with the Banking Question  
which were introduced into one con-  
solidated resolution and the conven-  
tion was strongly in favor of a pro-  
vincial bank. Mr. Geo. Bevington of  
Wentworth, well-known U.F.A. bank  
authority, outlined a provincial bank-  
ing system, which seemed to be satis-  
factory to the convention, and judg-  
ing from the dissatisfaction expressed  
with the present system, I think we  
can look for some development along  
these lines.

**The Health of the U.F.A.**  
I have attended four out of five of  
the latest conventions, every session  
and draw the following conclusions:  
That our constitution is sound and  
our organization is bound to stand  
and grow because it has the natural  
support behind it.  
Our membership may be temporarily  
lower, but the ones left can stand  
the test and are not shaken by the  
big headlines of the Old Party Press  
who have spared no effort in the last  
few years to spread disunion in our  
convention. In conclusion will say I thank my  
fellows members in delegating me to  
represent them at an open and above  
board gathering such as the U.F.A.  
convention in these days when so  
much secrecy and underhand work  
seems to prevail.

## Local Farmers win Case Against Live Stock Firm

Much interest has been aroused locally in a case which has been decided by the courts in favor of the plaintiffs being Layzell and Parr, Calgary, and defendants the Dominion Pure Blood Stock Co., of which a number of local farmers are members. Judgment was given for defendants with costs.

Judgment was also given for defendants to encourage the breeding of pure blood stock in the province, and arranged to have a company formed for the purpose. They visited various farmers and secured signatures to a memorandum and articles of agreement for the formation of a company. The memorandum and articles both disclosed that it was the intention of the company to enter into a contract with the plaintiffs, Layzell and Parr, to purchase horses, and had belonged to them.

Witnesses for the defendant company denied any knowledge of the proposed sale by the plaintiffs to the company, while Layzell alleged he had disclosed this intention to the subscribers.

**Agreement of Purchase**  
A meeting of directors of the company was held on November 21, 1920, when it was agreed to purchase the horses and lands at the price fixed by Messrs Galbraith and Nowers. Some questions arose as to the regularity of this meeting. Agreement to the deal was signed on behalf of the company. Shortly thereafter a meeting of shareholders was called when they reviewed all transactions with regard to these agreements.

The plaintiffs then sued for payment of the purchase price of the horses. The company defended, alleging among other things, the company not being entitled to commence business, the contract was only preliminary and not binding. It was also contended that the plaintiffs, not having disclosed that they were selling their own horses and lands could not succeed. It was further contended that the resolution agreeing to buy the horses and lands was invalid. Twenty-five of the shareholders of the company commenced a cross action, claiming that having been induced to become members of the company by misrepresentation, they were entitled to damages to the extent of the amount which they were obligated to pay as subscribers. Both actions were tried together.

After hearing the evidence and arguments of counsel, Mr. Justice Sims held that the plaintiffs, not having made full and complete disclosure as to the proposed contracts, the plaintiffs' action failed and should be dismissed with costs. The question which was raised in the cross action was reserved, consent to submit written arguments.

In the main action defendant's counsel claimed for \$2100 of the company's money spent by the plaintiffs for the upkeep of the horse-breeding was given for the defendant for this amount with costs. Consent to plaintiff's A. Macdonald, Sinclair, K.C. and C. McMillan, for the defendants, A. C. McGilveray, K.C. and S. H. Hoffman, instructed by J. E. Brownlee & Co.

He had nothing to do but keep him in hot water just nigh all the time. Ma had nothing to do but keep him in hot water just nigh all the time.

Saturday—I was a telling Mrs. how Jane Sells at nearly every thing here of lady and she said it must be because she has not so many good Teeth in side her mouth. So hot her try to get day with me from now on and will tell her a few items of interest.

Sunday—Are preacher said a very truthful saying today when he give his sermon. He said if you want to mix Politics and religion you get to let Politics do most all of the mixing. Monday—The teacher was coming in in Gender and ect. today and she said Biliters what was the Masculine gender for left meaning a handsome-looking woman. For a while he had teased and every thing was so quiet you can pick up a pin and then a bite from him in his lips and he said Dumbell.

Tuesday—Had a fine today and our cut winner as far as it was concerned but the teacher said he was going to notice my parents and I had to forget to do it as I no there will be a lot of trouble in are House at the same time I am in it. And I hate fire, lion in home life.

Wednesday—Had a peace of good luck today. Ma informed us that I had been stealing her David Food cake. Pa said her is she that I ate of her cake. I was shivering but she said no I don't think it cut of her because they are 2 pieces and he will not discuss it in my diary because you said tell who mite read it I or those days.

**KEOMA ITEMS**  
The card party at the Keoma hall was not so well attended as was expected owing to others having parties on the same evening. All enjoyed themselves in trying to win the prize.

A hard time dance was held in the Keoma hall. Good music was supplied by Mr. Thurston's Orchestra of Nightingale. Everyone had a good time and did not mind when the police men called upon them to pay the fines.

Miss Faylie Ranby has been staying with her sister for three weeks. Mrs. Lucy Haffelbar is in the City Cross Hospital. Her friends will be pleased to know that she is doing as well as can be expected after her operation.

There are a few cases of chicken pox in and around Keoma, but the radio never seems to have won the day. There seems to be chickens running around as well as chicken pox, though not many of us will care to change the color of our eyes.

The sunflower envelope seems to be a great success. I believe the store, had come for it at first, but to see Mr. J. G. Ranby's cows doing a twostep and fox trot around the sleigh you would think they had changed their minds. They are doing fine and doubling the quantity of milk.

The Bruce Laidlaw movie has been a great success. We believe that a very nice piano is to arrive at the Bruce Laidlaw School. We wish them every success. Mrs. Dargatz's youngest boy is in the Holy Cross Hospital. He has had tonsillitis and is now easier.
